Clint Lodge, nestled in the heart of the Scottish borders, is the perfect setting for your Civil Wedding ceremony, wedding reception or family celebration. The former hunting lodge offers you exclusive use of the house, gardens and our cottage in the grounds for up to 16 guests in 8 beautiful bedrooms.

In the surroundings of idyllic landscape you are bound to feel the warmth and homely romance of this magnificent country house.

Your photographer will be spoiled with a choice of backgrounds while your guests mingle through the garden wrapped in the opulent atmosphere enhanced by candles and fairy lights.

A marquee can be erected in the gardens for up to 200 guests who will all experience the history and beauty for your special day; it really will feel like your own magnificent country house.

Clint Lodge is a family run country house with 35 years of catering experience and because we are a small business we have the extra flexibility to make your day, your way.

From the early stages of planning right up to your big day we can offer our advice and guidance on everything from catering to flowers, decorations and wedding etiquette.

Unlike many venues that have a fixed menu plan, we encourage you to create your own special menu. We have provided some menu examples, for your information our catering choices start from around £30 per head. Tea, coffee and homemade tablet is provided for all your guests free of charge.

Our intimate wedding packages start from only £2012. Please ask for our detailed 2012 celebration package for up to 25 day guests and 40 guests in total available Sunday to Thursday throughout the year.

At Clint Lodge we understand that in the current financial climate you will have a budget and one way of helping you keep to your budget is **we do not charge** corkage allowing you to bring whatever drinks you choose and as much as you feel you want, after all it's your event, many venues will charge hundreds of pounds.

Our local florists are well known in the area for producing exceptional displays exactly to your requirements.

Our wedding packages do not include a marquee as we leave that to the experts but of course we can advise you on a local supplier helping to keep costs down.
